Image Description: A grid of 9 images of the fictional character Han Solo acted by Harrison Ford in the Star Wars movie franchise.

Han Solo Image 1: Han Solo from the original trilogy has his hands out to the sides and is looking happily at something in front of him.

Han Solo Image 2: Han Solo from the original trilogy is wagging his finger with a stern look on his face.

Han Solo Image 3: Han Solo from the original trilogy is focused on something in front of him – his eyes are open wide, and his eyebrows are down as if he is intently waiting to find out what will happen.

Han Solo Image 4: Han Solo from the original trilogy looks surprised as his jaw has dropped, and his eyes are wide open.

Han Solo Image 5: Han Solo from the original trilogy is laughing at something as he looks to the side.

Han Solo Image 6: Han Solo from the sequel trilogy (about thirty years after the last movie in the original trilogy) is looking directly at the camera, looking slightly worried as his eyebrows are down and he is slightly frowning.

Han Solo Image 7: Han Solo from the original trilogy is encased in stone with his hands in front of him as if he had been pleading.

Han Solo Image 8: Han Solo from the sequel trilogy looks ahead with a worried expression on his face. There is a red lightsaber behind him. (Lightsabers are weapons in the Star Wars series made up of long blades that glow).

Han Solo Image 9: Han Solo in the sequel trilogy is hugging Leia, played by Carrie Fisher. Leia's eyes are closed, and Han Solo stares into the distance. (Leia was Han's love interest in the movies.)
